

# SPIRIT OF FRIENDSHIP WINNERS 2024-2025 SARA & FATIMA

Sara and Fatima have been involved in Best Buddies for the past 3 years, but their bond extends far beyond the program. From the moment they met, their friendship blossomed into something truly special. They attend events together, go bowling, support each other in sports, and bond over music. Their friendship has left a lasting impact on each other. Fatima says, "Sara is one of the sweetest, funniest, most caring people you're ever going to meet. She's like a ray of sunshine." These two have built an incredible bond and are a great example of the power of friendship and inclusion for individuals with intellectual and developmental disabilities.
